

I need to change my schedule

To request a schedule change, scan the QR code, respond to questions and submit!

Continue to follow your schedule until your counselor notifies you that your schedule was changed.

The following are the only reasons why we will honor a schedule change:

- In a class I took & passed.
- Pre-requisites are not met for the class.
- Add Honors/AP class for which I qualify.
- I am missing a class I need to graduate.

*Schedule changes are subject to space availability in the requested class.

*Changes in student schedules for balancing class sizes are at the discretion of the school administration.

After September 4th, this form will be deactivated, and the Principal must approve any schedule
