MEAL SERVICE EXTENDED THROUGH JUNE 30

October 12, 2020

(MACON, GA) – Children in Bibb County can now receive school breakfast and lunch at no charge under the USDA Seamless Summer Option Waiver through June 30, 2021. The extended free meal opportunity was made possible by action announced on Oct. 9, 2020, by Secretary Sonny Perdue on behalf of the United States Department of Agriculture and is intended to support students and school systems during the COVID-19 pandemic.

The program is available to all children under 18, and those older than 18 if they have a state-defined mental or physical disability. Meals are available on Mondays and Wednesdays at both school curbside sites and along the bus delivery routes. For more information on these options and to register for meal service, visit www.bcsdk12.net/mealsinfo or call 478-779-2612.
