### **BEP COMMUNITY MEMBERS TO SERVE AS ‘PRINCIPAL FOR A DAY’**

March 28, 2022

(MACON, GA) – About 40 community members will walk in the footsteps of Bibb County School District principals on Thursday, March 31, for the sixth annual Principal for a Day. Principal for a Day is an initiative of the OneMacon Business Education Partnership (BEP), which is a collaboration between BCSD and OneMacon.

Schools have been paired with one or more community partners who requested to serve as Principal for a Day. During their visits, Principals for a Day will learn about the day-to-day operations of running of a school, how principals balance their day between instruction and administration, how business partners can better connect industry with the students and what schools need from industry, how students are being prepared for college and the workforce, about the Leader in Me program implemented in schools districtwide, and more.
