VIP Academy is headquartered at 2011 Riverside Dr. and serves students in the fourth through 12th grades virtually. The VIP Academy provides students and families in the Macon-Bibb County area with a virtual, personalized learning option, while providing traditional opportunities for student engagement and social development. VIP Academy students are eligible to participate in Georgia High School Association-sanctioned activities at their zoned schools. In addition, VIP Academy students are eligible to enroll in career-related pathway courses at the William S. Hutchings College and Career Academy and dual-enrollment courses at participating colleges and universities.

Admission to VIP Academy is determined through an extensive review of the student’s educational records related to attendance and academic success. Also, the successful completion of an academic consultation process with the Student Support Team is required to maintain the offer of admission to VIP Academy. Parents/guardians will be notified of their scholar’s admission via email and/or mail no later than February 19, 2022. Students who are not admitted due to capacity will be placed on a waiting list and will be notified once a slot becomes available.

For questions about the application, or additional assistance with the online application process, please contact VIP Academy at 478-779-4872 or VIPAcademy@bcsdk12.net.
