## MENTORING A GIRL IN CONSTRUCTION

*What's the Hottest thing  
going this summer?  
It's MAGIC !!!!!*

**MAGIC\***- "Mentoring a Girl in Construction" Summer Camp is a free, one-week, day camp designed to introduce high school girls to exciting careers in construction.

**MAGIC Summer Camp** offers high school girls the opportunity to learn about the countless avenues of employment available to women in the construction industry and engages these young women via hands-on training in basic construction skills. They gain marketable skills and experience plus the exhilaration of successfully performing difficult tasks while building self-confidence and boosting self-image.

- **Learn basics** - carpentry, electrical and other trade skills
- **Practice** - new skills without being teased or isolated
- **Develop** - greater self confidence and better self-esteem after tackling challenging projects and successfully completing them
- **Learn** - a "Safety First" attitude.
- **Meet** - women role models who have achieved success in all areas of the construction industry

- **Have fun and meet new friends!**
- **Complete a project daily**
- **Get a Pink Hard Hat!**
- **Enjoy a reception on Friday evening while sharing projects with parents**

- Must provide own transportation to and from camp daily.
- Camp is 8:00 am - 3:30 pm Monday-Friday
- Closed-toed shoes and long pants required for camper safety
